

Big Give is South Central Texas' biggest day of giving. Since 2014, the 24-hour call to action has raised over \$40M for hundreds of nonprofits – dollars that stay local to do the most good for our community

- September 20-21, we'll rally once again to grow the giving during our **10th annual event**
- Help us meet our goal of **30,000 donors**
- We're looking for **50 companies** to join us and become **Business Fundraisers**

What's a Business Fundraiser??

As a Business Fundraiser, you create an online giving page and commit to encouraging your employees to give to their favorite local nonprofits during Big Give. **That's it. No strings attached and it's FREE to register.**

Big Give will provide the following:

- Detailed employee giving metrics report that reveals the causes your employees love
- Customer support to help set up your online giving page and throughout the campaign
- Business Fundraiser toolkit with messaging and graphics for internal communications
- 30-minute virtual presentation with our staff to get your leadership team excited (subject to availability)
- Corporate matching gift administration (by request + added service charge)

We can't wait to see what your team accomplishes when we all work together to support our local nonprofits during Big Give!

To participate send an email to info@tncouncil.org
